

Telehealth Consent

I understand that I have the following rights with respect to telehealth:

El Tratamiento con alineadores transparentes es una técnica ortodóntica que consiste en utilizar una serie de férulas plásticas extraíbles que mueven progresivamente los dientes. Se combina el diagnóstico de su doctor y su prescripción en un sofisticado software para desarrollar el plan de tratamiento, en el cual están especificados los movimientos deseados para sus dientes durante el curso del tratamiento.

Tras la aprobación del plan de tratamiento desarrollado por su doctor, una serie de alineadores personalizados se producen para su tratamiento.

I understand that I have the following risks with respect to telehealth:

I understand there are risks and consequences from telehealth, including, but not limited to, the possibility, despite reasonable efforts on the part of my dental professional that: the transmission of my dental or medical information could be disrupted or distorted by technical failures; the transmission of my dental or medical information could be interrupted by unauthorized persons; and/or the electronic storage of my dental or medical information could be accessed by unauthorized persons.

I understand that telehealth may involve electronic communication of my personal medical information to health care providers who may be located in other areas, including out of state.

I understand that I may expect the anticipated benefits from the use of telehealth in my care, but that no results can be guaranteed or assured.

“Telehealth” includes the practice of health care delivery, diagnosis, consultation, treatment, transfer of medical data, and education using interactive audio, video, or data communications, including the use of telephone, cellular phone, Internet, email, text, IM, and programs such as Skype and FaceTime. I understand that telehealth also involves the communication of my dental and medical information, both

orally and visually, to dental care providers (“Providers”) located in California. By signing up to this service: (i) I certify to have read and understand the information provided above and all of my questions have been answered to my satisfaction by my health care practitioner, (ii) I hereby give my informed consent for the use of telehealth by CVSTOM Co. in my orthodontic diagnosis.

Consent form for text messaging notifications

I hereby give consent to receive text messages from SMILE2IMPRES or others acting on the Practice’s behalf. As part of this consent, You represent and warrant the following:

- (1) The Practice or others acting on its behalf may send text messages in various formats and with various contents, including but not limited to, text messages about appointment reminders, matters related to my dental treatment, general or specific marketing matters, educational matters or other announcements.
- (2) You are the owner or authorized user of the mobile phone number identified below. You will notify us immediately if you are no longer the owner or authorized user of the mobile phone number identified below.
- (3) You are solely responsible for any message and data charges associates with such text messages. If You do not wish to receive text messages from SMILE2IMPRES or others acting on their behalf, You should not sign this form. If you do sign this form and consent to receive text messages you can opt out of receiving future text messages at any time by notifying this office in writing.
